Access Granted!

You now have access to a **high-quality version of *Tubeacca Test Video*** via the **High-Quality Tubeacca Music Videos** playlist in your YouTube channel.

Get the Tubeacca Browser Extension

A **Tubeacca Extension** is available that automatically replaces reduced-quality video links with links to the high-quality versions to which you've gained access. This makes it easy to find HQ versions through usual YouTube searches.

On YouTube itself, you will also see extra **RQ** and **HQ** links that allow you to switch between versions to read comments, etc.

Can switch to RQ for comments, etc. (with arrow pointing to the 'RQ' label)

Those who've verified an HD, see that in searches rather than the RQ

The original HD version. Not, or no longer, searchable on YouTube. But verifiers have it in a private, artist-specific playlist, so it's easy for them to find and watch.
